

Experience the Ultimate Slash!

The Traxxas Slash 4X4 Ultimate is the pinnacle of short course truck performance with a low-CG chassis and upgraded high-performance aluminum parts as standard. The new Ultimate features a high-speed metal gear servo, blue-anodized aluminum shocks, special black chrome SCT wheels, and two exciting new colors.

Traxxas Completer Packs:

Offer your customers the convenience of a beginner-friendly NiMH or powerful LiPo completer pack when they purchase the Slash. Completer packs come in many popular configurations and feature Traxxas' exclusive iD™ technology for safer, easier charging.
