

# THE FUTURE IS BRUSHLESS

## NEW **BL-2S**<sup>TM</sup> BRUSHLESS POWER SYSTEM

AVAILABLE NOW IN THESE MODELS:

**RUSTLER 4X4**

**SLASH 4X4**

**NEW STAMPEDE 4X4**

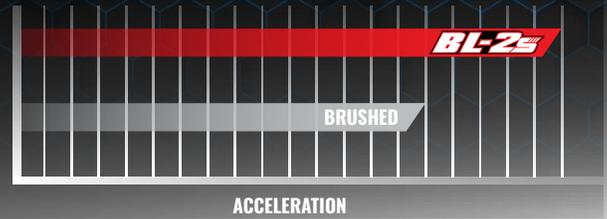

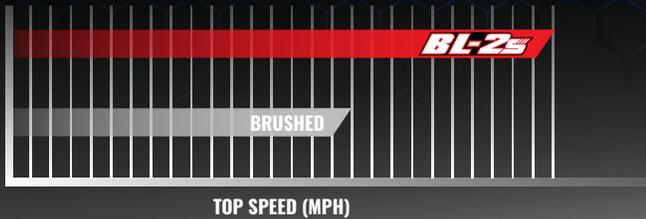

# TRAXXAS<sup>®</sup>

# BL-2s™

## BRUSHLESS POWER SYSTEM

The new BL-2s™ Brushless Power System delivers 60% more speed, faster acceleration, and virtually maintenance-free operation.

### FEATURES:

- Top speed increased by 10mph (60% faster than brushed 4X4 models)
- Faster acceleration
- Fan-cooled ball bearing motor
- Unique motor connector
- More efficient for long run times
- No motor brushes to wear out
- Consistent performance
- Practically maintenance-free running

Integrated Cooling Fan

Traxxas Quick Connect Motor Plug

### BL-2s POWER SYSTEM

3382	BL-2s Brushless Power System (Motor & ESC)
3383	BL-2s Electronic Speed Control
3384	BL-2s 3300kV Brushless Motor

### FACTORY UPGRADED 4X4 PERFORMANCE

The BL-2s power system is available now in a new lineup of 4X4 models that includes the return of a powerful new Stampede® 4X4. Factory installed upgrades are designed to reward your customers with exciting brushless speed, new levels of extreme toughness, and the unmatched convenience of cliplless bodies.

### Traxxas Experience. Lasting Value.

These rugged brushless 4X4s are truly engineered to stay sold and deliver an unparalleled experience. They provide value that inspires your customers to dream about their next Traxxas purchase.

## NEW FEATURES:

- BL-2s™ Brushless Power System
- Extreme Heavy Duty suspension & driveline
- Stunning new graphics
- Clipless bodies (new for Slash & Stampede)
- HD material suspension arms
- All-new Stampede 4X4 model

- Rugged latching clipless system
- Tough internal structure with outer reinforcements

## NEW STAMPEDE 4X4

The new Stampede 4X4 features the latest generation 4X4 monster truck chassis design, a clipless body, and Sledgehammer® tires. It now shares parts compatibility with the 3s Hoss® VXL, making it easy to support both trucks with parts that are already available.

## NEW STAMPEDE 4X4 PARTS

6762-BLUE	Body, Stampede® 4X4 Brushless, blue
6762-GRN	Body, Stampede® 4X4 Brushless, green
9072-GRAY	Sledgehammer tires & gray wheels (2.8")

# EXTREME HEAVY DUTY

## NEW FACTORY INSTALLED OUTER DRIVELINE & SUSPENSION UPGRADES

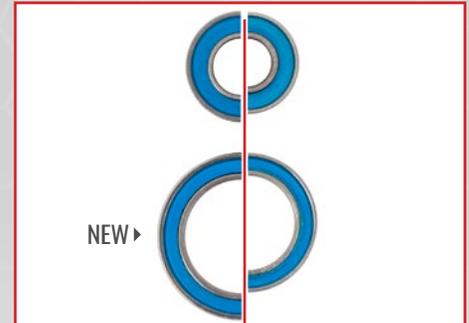

### Suspension Components

- Beefed-up with nearly double the material for maximum strength
- Double-shear design eliminates weak points
- Molded in our most durable material

### Maxx Duty® Driveshafts

- Huge diameter driveshafts with heavy duty steel U-joints are designed to handle extreme brushless power
- 6mm stub axles are 20% larger for maximum strength

### Larger Bearings & Steel Hexes

- Sealed bearings are 20% larger for smooth, long-lasting performance
- Steel wheel hexes provide superior strength and durability

## NEW SLASH CLIPLESS BODY MOUNTING CONVERSION KITS

Nothing beats Traxxas clipless body solutions for speed, convenience, and body protection. New conversion kits allow existing Slash owners to convert their trucks to the convenience of clipless mounting. Latch mounts cover factory die-cut body mount holes. The kits include all mounting hardware and adhesive templates to use with Slash bodies already hanging on your parts wall.

PART #	DESCRIPTION
6928	Slash® 4X4 Clipless Body Conversion Kit
6929	Slash® 2WD Clipless Body Conversion Kit
6966	Latch mounts/Retainers
6967	Latch body mounts (F&R)
6940	Clipless body mounts (F&R)
6976	Clipless body mount/Adapter (F)
10124	Clipless body mount inserts - (F)
10125	Clipless body mount inserts - (R)
